Dear Friend:

Would you be interested in earning a little cash on the side? If so, we have an easy way for you to do it.

Elite Printing Design & Planning, TeMak Photography, and Paradise Productions partnered together in October 2006, to offer full service wedding packages to include coordinating, photography & videography. It is our goal to be every couples one stop source for wedding services.

The way the referral program would work:

1. You would refer an individual for a free consultation.
2. If the person(s) you refer decides to retain our services, then based on the package they choose you would receive your referral fee (which could range between \$25.00 to \$250.00, if not more).
3. Once a contract is signed by the prospective bride you refer then you will receive your referral payment.

We think this is a win-win situation for us all and we look forward to your participation.

If you are interested in participating you may call (601) 957-0631 or sign up at [www.eliteprintingdesignplanning.com](http://www.eliteprintingdesignplanning.com).

Cordially,
